

# The Barnhouse at Genesis Farm

## Our Pet Policies.

There is a \$20.00 charge per pet per night to be paid in cash. We ask that you set a limit of **two** pets, and only one large dog. If you have any questions about this, please e-mail (or contact us).

We welcome **very well behaved** and socialized pets accompanied by responsible parents/owners. Pets are NOT ALLOWED on the beds, linens, or any of the furniture. For their use, please bring your own pet bed, blankets, towels and bowls. We do NOT welcome dogs that bark, chew, soil the carpet and floors, or get on the furniture. Owners are responsible IN FULL for ALL damages.

**CAT CHASERS ARE NOT WELCOME!!**

Pets may not be left in the Barnhouse unattended for long periods of time (more than three hours) and dogs need to be kennel-trained. We feel it is cruel to leave an animal in an unfamiliar place all day or evening. If you need a kennel for the day, we'll be happy to help you find one suitable.

We need to be notified when you go out if there are pets other than kennel-trained dogs, That's in case of an emergency and we need to go inside: your pet won't escape, and we know we won't be bitten or attacked. We also need to know how to get in touch with you in case of a problem. If you aren't able to control your dog's barking, please do not bring the pet along.

Pets must be clean with no fleas or ticks. Please wipe wet feet and coats before entering the Barnhouse with your own towels!!

Leashes are mandatory, even on the deck. This is for everyone's protection. Our farm has free-ranging critters, and we cannot risk dogs attacking and killing our animals. There is a county-wide leash law.

Poop scooping is required. Please dispose of the wastes properly and leave the grounds clean.
